

## Four learning zones, three learning lenses

Our teaching and learning framework consists of four learning zones and three learning lenses. Together they allow boys and girls to better understand their self as they learn about and interact with the world around them.

### LEARNING LENSES

#### SELF

- Personalised learning
- Problem solvers
- Creative and critical thinking
- Wellbeing
- Pathways
- Independent thinkers

#### COMMUNITY

- Service learning
- Participate in greater Warwick events
- Collaborative practices
- Co-curricular activities
- Clans
- Student leadership
- Connections with local organisations and businesses

#### WORLD

- Sustainability
- Global citizenship
- 21st century fluencies
- Future learning
- Industry and business connections
