## FEE BREAKDOWN

### Tuition Fees and General Purpose Levy

These fees provide for a broad range of academic services at the College. The fees also cover the provision of an iPad (Junior School) or a laptop (Middle and Senior Schools), College Student Planner, academic aptitude testing, bus fares for academic excursions and sport, some text books, online subscriptions, student accident insurance, and College co-curricular activities (including registration fees, playing fees, coaching and most transport to and from activities).

The State Government pays an annual amount to the College per student (Years 7-12) to maintain the College's Book Hire scheme which enables the College to keep tuition and book hire fees to a minimum.

### Lunch and Morning tea

All students are provided with nutritious and chef-prepared meals at lunch and morning tea on school days. Meal fees are inclusive of GST.
